### From inside Boston Logan Airport

If you're flying into Logan, you can either walk to the hotel through enclosed skyways or take the free Hilton shuttle.

#### Walking From the Airport Terminals A & E

Terminals A & E - From Terminal A & E follow signs for "bridge to central parking" and "pedestrian bridge." Take this walkway until the parking elevators. Proceed to second floor and into the Hilton Hotel via skybridge.

FYI, Delta and Continental fly into Terminal A; Terminal E welcomes international flights. The walk from other terminals is possible, but long...especially with luggage. We recommend the shuttle for that.

The skybridge is open 24 hours a day, and is right next to the New England Ballroom, home of the Smofcon consuite and major program items.

#### From the Airport by Hilton Shuttle

Follow signs to baggage claim area of terminal. Go to courtesy phones and press the button for Hilton. Go out to the curbside area that says "courtesy buses". Look for the Hilton silver and blue shuttle, which arrives every 15 minutes.

### By Car (more parking info on back panel)

#### From the West and South via the Mass Pike

Follow Route 90 East, getting in the right lane. Follow signs for exit 26 (Airport/Ted Williams Tunnel). As you exit the tunnel, bear right toward Hotel Drive. After you exit the tunnel, you will see the hotel in front of you. Make a right onto Hotel Drive, take your first left into the hotel entrance. This will loop you around to the hotel entrance. The doorman will valet park your car or direct you to the self parking lot.

#### From the North, on Route 93

Take Route 93 South to exit 24 (Callahan Tunnel). Go through the Callahan Tunnel in the right lane. As you exit the tunnel, take your second right to enter Logan Airport. Bear right onto Harborside Drive exit. At the first set of lights take a left onto Harborside Drive. At the second set of lights on Harborside Drive, take a left onto Hotel Drive. Once on Hotel Drive take your second right into the Hilton Hotel entrance. This will loop you around to the hotel entrance. The doorman will valet park your car or direct you to the self parking lot.

The regular fare is \$2.00. If you have a plastic "Charlie Card," fares are discounted to \$1.70 and include free transfers. See the MBTA website for more information on fares, routes, schedules, and all things T.

[www.mbta.com](http://www.mbta.com)

There are two routes to the Hilton Boston Logan Airport – the Silver Line bus and the Blue Line subway.

#### Silver Line Rapid Transit Bus Service

Direct connection to and from Boston Logan Airport and South Station (Servicing the Commuter Rail, Greyhound, Amtrak and Peter Pan Bus Lines) on the MBTA Red Line via the Waterfront.

#### Airport Station Subway Service
